## CONSTITUTION AND BY-LAWS OF THE BUFFALO GOLF CLUB

**Organized in 1912**

The oldest municipal golf club in Western New York

### ARTICLE I – NAME:

The name of this organization shall be **THE BUFFALO GOLF CLUB**

### ARTICLE II – OBJECTIVES:

To promote the interest of the amateur municipal golfers who comprise its membership, by making the following features available at a minimum of expense:

- (a) The opportunity to join a fraternity of golfers who play this ancient and honorable game for the sheer enjoyment of it and the exercise which it provides.
- (b) The opportunity to make friendly contacts, to stimulate good fellowship and fair play, thereby making your round of golf that much more enjoyable.
- (c) The opportunity to play the game of golf according to officially accepted rules. Through the Club's efforts, the rules for local play are officially standardized thereby eliminating confusing interpretation and controversy that otherwise might exist. (Revised: 6/20/06, Ratified: 8/23/06)
- (d) The opportunity to compete in weekly tournaments, thereby developing your golfing ability to its fullest extent, besides offering each individual an equal incentive by providing suitable prizes for winners of such competitions.
- (e) The opportunity to compete in events of the District and Municipal Golfing Associations with which we are affiliated. In most cases, competition in such events is permitted only to the membership of such affiliated clubs.
- (f) The opportunity of lending individual support to an organized group. In numbers there is power and by constant cooperative efforts of the entire membership, we can achieve greater effectiveness in acquiring better playing conditions at our home course, as well as furthering the cause of all municipal golfers in Western New York. . (Revised: 6/20/06, Ratified: 8/23/06)
- (g) The opportunity of joining a municipal golfing organization whose members repeatedly demonstrate their competitive abilities in district and national events, winning many coveted laurels, as well as establishing themselves as true sportsmen and gentlemen in every sense of the word.
- (h) The opportunity for members to attend a variety of special events (parties) where members can have plenty of fun and enjoy a variety of activities at a minimum of expense. We believe that a

membership in The Buffalo Golf Club enables each member to secure the greatest possible good and enjoyment from the game of golf. (Revised: 6/20/06, Ratified: 8/23/06)

- (i) The opportunity to earn a USGA handicap index that can be used in competition in any tournament in the United States to which the golfer is invited. (Revised: 4/09/07, Ratified: 5/14/07)

## ARTICLE III – MEMBERSHIP:

**SECTION 1:** Active membership in this club shall be open to any amateur golfer who is currently of the male gender and is desirous of joining the club. We particularly encourage the municipal or public links golfer to join our club. (Revised: 1/18/09, Ratified: 5/11/09)

**SECTION 2:** All applicants for membership must currently be twenty-one (21) years of age or older, be of good reputation, and be properly vouched for by two current members (see section 3). (Revised: 1/18/09, Ratified: 5/11/09)

**SECTION 3:** Individuals will be considered for membership only when proposed by a current member and seconded by another current member. These sponsors must sign the application for membership form. The form must be submitted to the Membership Committee at a club event or by mailing the application to the address shown on the form. Membership will only be granted after the Membership Committee has validated the information on the application. An applicant may not participate in any club tournament until notified of their application's acceptance by a representative of the Membership Committee. (Revised: 1/18/09, Ratified: 5/11/09)

**SECTION 4:** A club membership is not transferable. (Revised: 1/18/09, Ratified: 5/11/09)

**SECTION 5:** A member shall be expelled and dues forfeited only when that member has caused disrepute to fall upon the Club, or when by un-sportsmen-like or offensive conduct, has made his membership undesirable. A two-thirds vote made by the entire Board Of Directors in favor of the expulsion shall make such an expulsion immediately effective. The vote will be held by a secret ballot, but only after all of the facts of the case have been properly presented to the entire Board Of Directors. (Revised: 6/20/06, Ratified: 8/23/06)

**SECTION 6:** It is intended that the total membership shall be limited to 200 paid members (exclusive of life members). Applications for [desirable] membership received thereafter may be accepted or rejected by a two-thirds majority vote of the Board Of Directors present. (Revised: 6/20/06, Ratified: 8/23/06)

**SECTION 7:** A Lifetime Membership is a non-hereditary honor bestowed upon a current or past club member in recognition of his distinctive and meritorious support and service to this Club. A majority vote by the *entire* Board of Directors is required to bestow this honor upon the member. Additionally, a Life Membership can only be bestowed upon a member if he is sixty-five (65) years old or more and has been a member in good standing for a total of twenty-five (25) years or more (does not have to be consecutive years). There are two constitutional benefits to being a lifetime member. One is that dues are substantially reduced to a mere honorarium amount that is set by the Board of Directors. The second benefit is that a lifetime member can take time off from the club and return with their title intact and without having to pay an initiation fee. The Board may also assign any other one-time or

# CONSTITUTION AND BY-LAWS of THE BUFFALO GOLF CLUB

temporary award, privilege, or perk to the lifetime members as a group with a majority vote by a quorum of the Board of Directors. (Revised: 1/18/09, Ratified: 5/11/09)

**SECTION 8:** Members in good standing from the previous year may change their membership type to a social membership during the normal dues payment period. Past members in good standing may also request to have the membership committee renew their membership as a social member. A social membership is intended to allow members to maintain ties to the club when they are unable to participate in tournaments due to personal reasons. A social membership shall permit the member to attend all club social events, including the Invitational Tournament and Club Championship Picnic. If full members are required to pay an additional fee to participate in any of the social events, a social member shall be required to pay the same fee to participate. Social members shall not be permitted to participate in club tournaments (except the Invitational), shall not participate in the election for the Board of Directors nor hold a Board office, and shall not have a handicap maintained by the club. The Board of Directors shall set the membership dues for social members as described in **ARTICLE IV** (including initiation fee for reinstatement due to lapsed membership), but social membership dues shall be no less than lifetime member dues. Social members in good standing may change their status back to full members by paying the full membership dues at the start of the season, or the difference between the full membership dues and social membership dues if they had already paid the social membership dues; no additional initiation fee is required. (Revised: 5/23/15, Ratified: 6/25/15)

## **ARTICLE IV – FEES AND DUES:**

**SECTION 1:** All members (except life members) shall pay annual dues at the current rate set by a two-thirds majority vote of the entire Board Of Directors. Each newly accepted member must pay an additional initiation fee of \$25.00 along with their first dues payment. (Revised: 6/20/06, Ratified: 8/23/06)

**SECTION 2:** The Board of Directors is empowered to cancel, raise, or reduce dues, when conditions warrant it.

**SECTION 3:** A special assessment may be levied for emergency purposes by a two-thirds majority vote of the Board Of Directors.

**SECTION 4:** A member submitting a resignation shall forfeit all dues and fees paid that year. The resignation shall become effective immediately upon receipt of a written resignation from the member by an officer of the Board Of Directors of this Club. (Revised: 6/20/06, Ratified: 8/23/06)

**SECTION 5:** Any member, who has not paid his dues by the final date set by the Board Of Directors each year, will be automatically dropped from the membership after that final date. (Revised: 6/20/06, Ratified: 8/23/06)

(Revised: 6/27/07, Ratified: 08/25/08)

**SECTION 8:** Four (4) members of the Board Of Directors are elected each year by the membership at the Club's annual election. The Board Of Directors sets the time and the date of the election. Each appointment must be ratified by a majority vote of a quorum of the incumbent and newly elected Board Members at the next Board meeting. (Revised: 6/27/07, Ratified: 08/25/08)

**SECTION 9:** The term of office of each elected (not appointed) Board Member shall be for a period of three (3) years before having to run for office again or step down. The terms of office of the Board Members are arranged so that each year there will be four (4) Directors whose terms will expire. There

is no limit to the number of times a Club Member may run for or serve on the Board of Directors.  
(Revised: 6/27/07, Ratified: 08/25/08)

**SECTION 10:** In the event that a seat on the Board Of Directors becomes vacant before that Director's term of office is completed, and that vacancy is not due to an expired term of office (see Section 9), then the President of the Board Of Directors shall appoint a Club Member who is in good standing to serve on the Board for the remaining term of the exiting Director.
